

**LT4 LiquiTrace®
Liquid Mineral Supplement
Specification Sheet**

DESCRIPTION

An aqueous solution of zinc methionine complex, manganese methionine complex, copper betaine and cobalt sulfate

COMPATIBILITY

Compatible with all animal feeds and processed feed ingredients.

COLOR

Blue colored liquid

COMPOSITION

4.38% Zinc, 2.43% Manganese, 1.52% Copper, 0.31% Cobalt, 15.16% Methionine, 5.6% Betaine, 50% Moisture

pH

2.8

BULK DENSITY

11.5 pounds per gallon

VISCOSITY

1250 centipoise at 100° Fahrenheit

AGITATION

Required

PACKAGING

Bulk

USAGE RATES

8.3 grams/hd/day for cattle
